

Tariff of Mortgage Charges

Bank of Ireland is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

When will you pay this charge?

Before your first Monthly Payment.

These are the fees and charges you may have to pay before we transfer your mortgage funds.

Name of charge	What this charge is for	How much is this charge?
Lending fee	A fee for making a loan under a new mortgage, due on completion but may be deferred until the mortgage is fully repaid. This fee will be deferred unless you tell us otherwise before completion and interest will not be charged on the fee in the meantime. We will not be entitled to vary the fee if you choose to defer payment.	£195
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£15
Legal fee	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	These fees/costs are charged by the solicitor directly to you
Product fee	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	£0-£2,500
Re-inspection fee	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the work's carried out. <i>At Bank of Ireland we may charge this in additional circumstances such as Northern Ireland Self Build cases, or where immediate works are required to the property. We will tell you if you are required to pay a re-inspection fee.</i>	£50

Valuation fee	<p>Valuation and Surveys</p> <p>When you buy a house and need a mortgage, we will commission a mortgage valuation. The mortgage valuation advises us of the value of a property and of any characteristics of the property (including significant defects) which might affect its value as security for the proposed loan. You should not rely on the mortgage valuation when deciding whether to purchase the property or how much you should pay for it. It is not a survey and is for our benefit, rather than yours.</p> <p>If you want a more detailed survey, you'll need to arrange this yourself with a Surveyor. This will provide information on any specific areas you'd like covered and on the condition of the property. You can find more information on local surveyors and the different types of survey on the Royal Institution of Surveyors (RICS) website at https://www.rics.org/uk/</p> <p>Scottish valuations</p> <p>In Scotland, it is a legal requirement that the seller provides potential purchasers with a Home Report. This includes a Mortgage Valuation Report and provides buyers with information regarding the condition and value of a property, ahead of committing to the purchase. We may be able to use the Mortgage Valuation included in the Home Report to assess the property as part of your application, meaning you won't have to pay for a separate valuation. the Mortgage Valuation included in the Home Report to assess the property as part of your application, meaning you won't have to pay for a separate valuation.</p>	Property Value Up to £50,000 Up to £75,000 Up to £100,000 Up to £150,000 Up to £200,000 Up to £250,000 Up to £350,000 Up to £500,000 Up to £750,000 Up to £1m Up to £1.5m Up to £2m Up to £2.5m Up to £3m Up to £3.5m Up to £4m	Fee £240 £240 £240 £240 £310 £310 £360 £470 £610 £840 £940 £1,090 £1,290 £1,490 £1,690 £1,890

This is the current Tariff of Mortgage Charges and is valid from October 2022. This tariff provides details of the fees that may be payable in connection with the administration of our full range of mortgage accounts and is not personal to you. Inclusion of a specific fee within this tariff should not be taken to mean that the service detailed will be either relevant or available to all mortgage account holders.

The terms and conditions that apply to your mortgage explain the circumstances when a fee may be payable. All fees are subject to change and where applicable include VAT at the current rate.

The rate of VAT may be subject to change from time to time. We reserve the right to charge further non-administrative fees applicable for products or services.
